Happy New Year! We are looking forward to welcoming in the new year with our Riviera friends and family at South Seas Resort, Captiva Island on January 29-31st. As of today, all of the facilities are open and we are expecting lots of fun! We will of course abide by all CV19 protocols to ensure the safety and comfort of all guests. Our goal is for our time to be relaxing and enjoyable and therefore all events and activities will be casual. If there are any activities not noted below, we are glad to assist in arranging either through the resort or independent operators. Lots of information is available through the South Seas Resort Website at <https://www.southseas.com/>. We will be staying at the Yacht Harbour and Marina on the North side of the resort. For those who are not familiar with the marina please see contact information at the bottom of the message for assistance. Additionally, directions for both Redfish Pass/Intercoastal waterway access and marina maps are available for download here: https://www.southseas.com/content/uploads/2017/07/SSIR_Channel_Map_FINAL.pdf.
